HELPING ORGANIZATIONS MEET THEIR FINANCIAL GOALS

To help you with your fundraising efforts, please consider using **FROM FARM TO TABLE POPCORN**. We are confident you will reach your fundraising goal.

This fine corn product is grown south of Brantford and produced in Cambridge, Ontario. Your cost per case is \$29.82 + \$3.88 tax = \$33.70. You choose your own selling price. For example, selling each bag for **\$2.00** will give you **\$30.30 in profit** on a case (95 cents per bag). This product may be used for in-school sales (*meets ministry nutritional requirements*) or may be taken into the community to support school trips or other fundraising needs.
